FALL Yard Sale

Saturday, September 24, 2010 (rain date, Sunday, September 25)

Sign Up Early! Sign up forms and fees must be received by Wednesday, August 24, 2011 in order to be included on the participant map which will be published in the September issue of the "News on the Run."

Time to start making room for the holiday season! Get rid of all those odds and ends in your basement or garage and sign up for LRR's new FALL Yard Sale!

Cost - \$10.00 for all participants.

At Home Participants – you set up on your property. You will receive a "paid participant" balloon to display on your mailbox or sale table. Your address and nearest entrance code will be on the participation map along with a coded list of items you have available for sale.

Recreation Center Participants – you will set up on the parking lot of Recreation Center #2 (Sandstone Way). You will need to provide your own table(s) and space is available on a first-come, first-serve basis. Great visibility! Directions to the Recreation Center will be included on the participant map along with a coded list of items you will have available for sale.

Registration fees help pay for newspaper advertisements, participant balloons and directional signs at LRR entrances. The more paid participants we have, the more signs we will be able to purchase!
