Real Estate Market Statistics for 20124

Information Derived from MRIS Listing Agent Data for Entire Year 2013

List to Sale Price for Karen Gales averages 99.54%

List to Sale Price for All Other Realtors averages 94.72%

Karen Gales

Statistics confirm that Karen is #1 in LRR homes sold. No other Realtor has ever sold more homes in this neighborhood than she has.

RE/MAX Premier

LRR Seller Says This:

Every step of the process with Karen was excellent. She was always monitoring the market as it pertained to me & thinking of ways to move my home. She is outstanding at staging & uses the latest technology to market your listing. Every part of working with her was a positive experience.

Board of Trustees Meeting Actions

Highlights from June 19, 2014

Rescheduled from June 12, 2014

Regular BoT meeting held at Rec #1.

Trustees present: Scott McAuliffe, Joe Stein, Ron Mulvihill, John Lindsay and Ralph Valentino

Excused: Jerre Thomas

- Meeting was called to order at 7:10 PM.
- Mr. Scott McAuliffe notified the Board of Trustees, HOA staff and Members that Mr. Brian Bleeze had officially resigned due to personal business. The Board of Trustees thanks Mr. Bleeze for his outstanding efforts and service to the Little Rocky Run Community.
- Set Agenda was approved.
- Mr. Scott McAuliffe accepted the Boy Scouts Charter from Mr. Jim Scott. (see photo)
- Mr. Lee Kauffman delivered the managers' report.
- The May 8, 2014 Board Meeting minutes were approved.
- The BoT accepted the May 19, 2014 Architectural Review Board minutes, the May 28, 2014 Budget and Finance Committee minutes, The May 20, 2014 Community Activities Committee Minutes, the June 2, 2014 Open Space Committee Minutes, and the May 29, 2014 Pool Committee Minutes. The Board accepted that the Tennis Committee will meet on June 24, 2014 at Rec center 2 starting at 7:00 PM.
- The BoT reviewed the June 2014 Financials.
- The BoT reviewed the Capital Projects report for FY 15 & 16.
- The BoT reviewed the ARB Community Wide Inspection Update.
- The BoT discussed the financial management services.
- The BoT approved the Furniture restrapping at Pool 1.
- The BoT approved the umbrella replacement at Pool 3.
- The BoT tabled the hot water heater replacement at Pool 3 until July's BoT meeting.
- The BoT tabled the Paint and repair of the wooden bridges until July's BoT meeting.
- Adjournment at 11:00 PM.

Things to know about the Board of Trustees meetings:

- Please contact the HOA office for questions regarding the BOT meetings at hoa@littlerockyrunhoa.org or 703-830-0411.

- The Agenda for the Board of Trustees meetings can be found online at www.littlerockyrunhoa.org. Please click on resources, Board of Trustees, and scroll to the agenda link located at the bottom of the page.

- Residents attending the LRR Board of Trustees meeting who require special seating or someone to provide sign language translation should contact the HOA office two weeks prior to a meeting.

Architectural Review Board (ARB)

Parking RVs, Boats, Recreational Equipment and Trailers

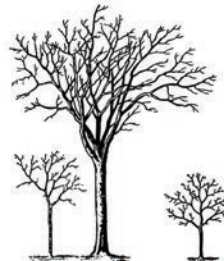

As the summer months are upon us, more people will be enjoying outdoor recreational activities such as camping, boating and water sports. The Little Rocky Run HOA wants to remind residents that any motorhomes, RVs, pop-up trailers, large or motorized boats, jet skis, boat or

utility trailers must be located inside an enclosed garage if located on the single-family homeowner's property, otherwise any or all of these type of recreational vehicles must be parked on a VDOT public street. No RV, motorhome, pop-up trailer, boat, jet skis or any type of trailer may be parked in the homeowner's driveway, or any part of the property (front, sides or rear property). No RV, motorhome, pop-up trailer, boat or any type of utility trailer may be parked on the privately owned LRR townhome streets or on the common areas.

Trees on Common Area

Please notify the Little Rocky Run HOA office of any dead and/or leaning trees located on the Common Areas which overhang your property, or the walking paths which might present a safety hazard. Reports should be made directly to the Facilities Manager and may take 1-3 weeks to rectify the situation. Please provide as much information as possible when making the tree report, such as a closest address or street intersection, and any contact information. Call the HOA office at 703-830-0411 or email maintenance@littlerockyrunhoa.org.

ARB Application Change:

Please note the new deadline for applications are now the Monday before the ARB meeting date.

Changes to Pool Rules:

Grandparent Passes are issued and updated annually. LRR residents who are current in their assessment payments and own or have a valid lease are eligible for Grandparent passes for their grandchildren. The Grandchild has to be between the age of 1-17. Grandparents must add grandchildren to their pool pass form and provide a current photo of each child.

10-Visit Guest passes do not expire.

Section A #3 added “You are ultimately responsible for the safety and behavior of your children.”

Pool
Rules and Regulations

To find out more about Little Rocky Run's Pool Rules and Regulations, visit our website at www.littlerockyrunchoa.org or come by and pick up a copy at the HOA office. The Pool Rules & Regulations are also posted at each Little Rocky Run Pool.

Lifeguards Needed!

Clear Blue Pools is still accepting applications for lifeguards. If you are interested, please visit clearbluepools.org to fill out an application. A representative from Clear Blue Pools will contact you. You can also contact them by calling 703-542-2929.

Swim Lessons

Clear Blue Pools will be offering swim lessons at all pools this summer. Look for sign-up sheets at each pool!

Guest Pass Reminder!

Don't Forget Your Guest Passes!
Now available for purchase ONLY in the HOA office. (6201 Sandstone Way)

Guest passes must be accompanied by a LRR Resident with a valid pool pass.

Daily Guest Passes are \$5 each

Save money with our 10 Visit Guest Pass only \$35 which no longer expire. If you have 10 visit guest passes left over from previous years, you are still able to use them.

The HOA office is open Monday- Friday
9:00 AM to 5:00 PM

Please remember to get your pool passes!

Pool pass registration is open NOW and available on the Little Rocky Run Website or by completing the form on page 6 and returning it to the HOA Office. You must have a pass to enter any LRR pools.

Little Rocky Run

News from the Stingrays

LRR STINGRAYS
By Patrick Bowman

2013 Lollipop meet

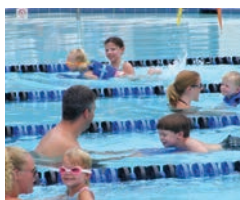

2013 Lollipop meet

School is (finally!) out, but the LRR Stingray summer swim season is in full swing! Over 250 swimmers have been practicing daily since Memorial Day, and have swum in both NVSL and ESSL meets. To catch up on the latest results, read weekly newsletters, and find the schedule for upcoming social events and competitions, check the team website at <http://www.lrrstingrays.org> . You can also get race-by-race results of NVSL meets and league standings by checking the NVSL website at <http://nvsl.nvblu.com/> .

With all those swimmers in the pool, Coach Bob Brofft and his new assistant Crystal Fitts need plenty of help to keep practices and meets flowing smoothly. Much of that responsibility lies with the junior coaches and new volunteer coaches. These young people display both their swimming knowledge and their leadership skills in helping to coordinate practices and meets, and it would not be possible to run the team without their help.

Junior Coaches		Volunteer Coaches	
Alex Aguilera	Peter Kaczmarek	Nicholas Aguilera	Georgia Kikis
Rachel Anderson	Mitch Keifer	Matthew Candy	Ryan Marnell
Sarah Clark	Kyle Marshall	Kyle Cassidy	Michael O'Donnell
Kelsey Daily	Rosemary McGovern	Sam Jackmore	Chloe Ross
	Logan Ross		

In addition to the meets and social events, the Stingrays have two special events that they would like to make everyone aware of. On July 12, we will not only recognize our outgoing seniors, but we would also like to invite all Stingray Alumni back for special recognition at the meet. If would like to attend this special event, please notify team rep John Charters at TeamRep@LRRStingrays.com .

As the end of the season approaches, the Stingrays invite all youngsters in the community to join us for the annual Lollipop Meet. The Lollipop Meet is a fun event intended to give children 8 years old and younger the opportunity to swim in a race. No level of skill or experience is required! Floaties, parents, and any other method of getting across the pool are all acceptable! All participants get a ribbon, a lollipop and a snowcone. Some of the younger Stingrays will participate as well, and show off some of the strokes and skills they have learned over the season. We welcome everyone to join us for this fun family event at noon on Sunday, July 20 at Pool #2.

If you have any questions about the team or upcoming season, please contact team rep John Charters, TeamRep@LRRStingrays.com . The next Board meeting won't be until after the Summer swim season, be we invite all members of the community to come out and enjoy a swim meet and cheer on your neighbors.

Check the team website for the current schedule!

Class of 2014

Pipestem Maintenance

All owners are responsible for the repairs and maintenance of the pipestem associated with their properties.
When repairs or maintenance is necessary, the process is as follows:

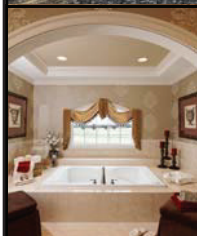

- Submit a letter of consent with pipestem number, addresses and signatures of all pipestem owners along with estimates from THREE contractors to the Little Rocky Run HOA.
- Pipestem funds are only available for the pipestem and not individual drives.
- Contractors must submit their invoices directly to the HOA for reimbursement.
- A check will be paid directly to the contractor selected to perform the work from the appropriate pipestem account.
- Homeowners are responsible for any and all monies or charges over and above the available in the pipestem account.
- Pipestem fund is to be used for maintenance or repair of the drive. (Sealcoat, repair, overlay)

The HOA of Little Rocky Run may perform the necessary repairs or rebuilding to a common drive in the event that the owners do not schedule the repairs in good faith or in a timely manner. The association will use the pipestem account to cover the cost of such scheduled repairs as needed and assess the pipestem owners difference between the actual cost and what is available. .

Renovate with Confidence!

*Proudly Serving & Exceeding Little Rocky Run
Homeowner's Expectations*

July Asphalt Maintenance

Beginning on Monday, July 28, 2014 and continuing through Friday, August 8, 2014, Dominion Paving will be performing concrete repairs, asphalt milling and resurfacing on 4 streets in the Little Rocky Run HOA Community. (Schedule below)

During the **CONCRETE REPAIR DAYS (JULY 28 & 29)**, **NO CARS** should be parked within 40 feet of any curb and gutter or sidewalk marked with an orange paint "X" beginning at 7:00 A.M. on both July 28 and July 29. **TOWING WILL BE ENFORCED IF VEHICLES ARE NOT MOVED BY 7:00 A.M.**

During **MILLING AND PAVING DAYS (AUGUST 5, 6, 7, & 8)**, **NO CARS** should be parked in the parking spaces or the drive lanes during your scheduled days beginning at 7:00 A.M. each day. **TOWING WILL BE ENFORCED IF VEHICLES ARE NOT MOVED BY 7:00 A.M.**

IF VEHICLES ARE IN THE STREETS THEY WILL BE TOWED AND RELOCATED OR IMPOUNDED AS DIRECTED BY THE HOA/MANAGEMENT.

WORK IS SCHEDULED AS FOLLOWS (STREETS CLOSED THESE DAYS BEGINNING AT 7:00 A.M.)

MONDAY, JULY 28: Waterdale Court, Water Springs Court, Clarendon Springs Court & Barren Springs Court. Concrete repairs on all streets; **NO PARKING WITHIN 40 FEET OF MARKED REPAIRS.**

TUESDAY, JULY 29: Waterdale Court, Water Springs Court, Clarendon Springs Court & Barren Springs Court. Concrete repairs on all streets; **NO PARKING WITHIN 40 FEET OF MARKED REPAIRS.**

TUESDAY, AUGUST 5: Waterdale Court and Water Springs Court. Asphalt milling; **ROADS AND LOTS CLOSED AT 7:00 A.M.**

WEDNESDAY, AUGUST 6: Waterdale Court and Water Springs Court. Asphalt paving and striping; **ROADS AND LOTS CLOSED AT 7:00 A.M.**

THURSDAY, AUGUST 7: Clarendon Springs Court and Barren Springs Court. Asphalt milling; **ROADS AND LOTS CLOSED AT 7:00 A.M.**

FRIDAY, AUGUST 8: Clarendon Springs Court and Barren Springs Court. Asphalt paving & striping; **ROADS AND LOTS CLOSED AT 7:00 A.M. WILL REOPEN SATURDAY.**

Please note that all work is dependent on weather conditions. If adverse weather occurs on the day work is to be performed, the next day will be the new scheduled date unless notified via flyer.

Best Regards,

LRR 4th of July Parade

July 4, 2014 at 10:30 A.M.

Starting at the blacktop at Union Mill Elementary School

Come show your patriotism by wearing your red, white and blue! Grab your wagon, beach cart, bike or scooter and join your neighbors for a festive 4th of July Parade! We'll let the Harley's lead the way!

 **CALLING ALL SINGERS!** We're looking for singers to lead us in the Star Spangled Banner to get our parade started right. 

After the parade, stay for a cool refreshment treat!

Prizes awarded for Most Patriotic:

- *Baby (boy and girl)
- *Toddler 1-3 (boy and girl)
- *Kid 4-6 (boy and girl)
- *Big kid 7-9 (boy and girl)
- *Tween 10-12 (boy and girl)
- *Teen 13+ (boy and girl)
- *Family
- *Bike
- *Stroller
- *Pooch

VOLUNTEERS NEEDED!!

Volunteers needed for parade monitors, crossing guards, set up and clean up. If you are interested, please contact Darcy at caa@littlerockyrunhoa.org.

BOY SCOUTS OF AMERICA®

577 Troop News!

By Lucas deVos

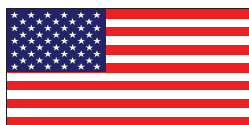

This month Troop 577 had another fantastic month. This month Troop 577 went on a few campouts. First, for the older scouts, they went to Mount Rogers. Mount Rogers is a backpacking trip that was a work up for our Philmont backpacking trip this summer. The scouts had a lot of fun hiking Virginia's highest peak. The next campout was the Scott Farm campout. There is an adult in our troop that offers his farm to camp out every year and the scouts are very appreciative. On Scott Farm, some scouts go to Old Rag, which is a mountain that has a lot of rocks and is very fun to climb and the other scouts stay at base camp and fish. Also, to show our appreciation, the scouts do a service project every time to help the farm. Over all, the scouts had a great month.

Protecting and Preserving Your Property's Most Valuable Landscape Assets

By Andrew Carpenter, ISA Certified Arborist, ValleyCrest Landscape Maintenance

Make the Cut with Professional Pruning

Professional pruning keeps your trees healthier and better looking today, and it can prevent many problems in the future. Depending on the age, size,

species, condition and location of trees, a variety of pruning techniques may be utilized.

CLEARANCE PRUNING: Lower limbs are elevated so that structures, driveways, walkways and signage are not blocked.

- **PRUNING FOR PLANT HEALTH:** Diseased or pest-infested branches are removed to reduce pesticide use and prevent the problem from spreading to healthy parts of the tree.
- **PRUNING TO PROTECT STRUCTURES:** Branches that rub against walls or windows are removed to prevent friction damage. This also helps to reduce pest access to buildings.
- **HAZARD REDUCTION PRUNING:** Dead, dying, broken or hanging branches are removed to prevent them from falling and causing property damage or personal injury.
- **PRUNING TO PREVENT STORM DAMAGE:** Selected interior branches are pruned to reduce the potential for branch breakage. This allows for better wind flow through the canopy, decreasing wind resistance.
- **MAINTENANCE PRUNING:** Selected branches are removed to give the tree the desired shape and to promote good air movement and light distribution throughout the canopy. This also helps to control growth in limited spaces.

Proactive Approach to Plant Health

It's a fact: healthy trees are less likely to suffer damage from insects and diseases. To keep your trees at the peak of health, consider instituting an ongoing Plant Healthcare Program.

Healthcare inspections provide a systematic and scientific approach to safeguarding your trees. The first step is to identify the tree species and varieties present in a landscape. Environmental conditions must be considered because they may be affecting trees. These include:

- Soil type
- Soil compaction
- Watering patterns
- Rainfall (or lack thereof)
- Mechanical damage
- Branch breakage from excessive fruiting
- Damage from rodents or other animals
- Evidence of previous insect or disease activity

Timing makes a significant difference to determine when and what action is required. If inspections reveal a past or potential threat to tree health, prompt action can prevent major and potentially costly problems from occurring down the road. Recommendations should be based on the unique needs of your specific trees. For example:

- Trees at risk of branch breakage due to excessive fruit production may benefit from growth-regulating spray treatments.
- If signs of disease activity are present, a bark injection of systemic fungicide may be necessary.

Through Plant Healthcare Programs, knowledgeable and experienced tree care specialists can more cost effectively provide quick response and equipment necessary for beautiful, healthy trees year-round.

Tree Removal Services

In the instance when tree care professionals have exhausted every solution possible to save trees, circumstances beyond their control can sometimes lead to tree death or decline. This can cause serious liability on your property, making removal the only option.

If removal is necessary, experience is a key differentiator. Tree removal specialists

should be well trained how to remove trees properly and safely, without injury or damage to surrounding plants and nearby structures. This is a difficult and dangerous operation that requires attention to detail from start to finish, including:

- Clearance of the surrounding area for branches and tree trunks to fall.
- Use of ropes to guide large branches after cutting.
- Stump grinding/removal once the tree has been cut down.
- Proper and timely disposal of branches and trunk so that normal activities can resume as quickly as possible at a community.
- Full compliance with all national and local safety regulations.

By adhering to the tree care industry's best practices for tree pruning, health, or removal, tree care services providers are able to make a dramatic impact on the appearance and safety of your property.

About the Author

Andrew Carpenter, ISA Certified Arborist, is a Regional Tree Care Manager with ValleyCrest Landscape Maintenance and can be reached at 703-499-7074 or acarpenter@valleycrest.com. ValleyCrest has six offices in DC Metro and is the area's premier integrated landscape services company. For more information, visit www.valleycrest.com.

How to Stay Cool and Comfortable This Summer

I have no doubt many Little Rocky Run residents will come home to hot homes this summer. You know the saying: "You don't know what you don't know?" Well, it also applies to air conditioners. The average air conditioning system lasts 12 years, so if you've rented in the past and/or are living in a new home, you may not have needed to think about your air conditioning system. However this summer your number may come up, so let me help you be prepared.

Here's what you need to know about the factors that influence the costs of replacing your system. These factors include your system's size, efficiency level, location, and brand as well as what time of year you purchase your system.

You don't want to buy an air conditioning system in the summer months.

This is like buying an airline ticket on Thanksgiving weekend. You try to avoid this AT ALL COST! There is ZERO incentive for any contractor to give you a discount in the peak of summer. At Parrish Services, we have a program called "Summer Comfort On Loan" that lets you take advantage of off-season discounts and timing to replace your system during slower times of the year. This program also gives you a working air conditioner much quicker than waiting for a new system to be installed during the midst of a heat wave.

Avoid the service call if possible.

Four out of five all air conditioning system failures are caused by improperly installed, designed, or maintained equipment. If you have not had your system serviced yet this season, get it done quickly to avoid the risk of failure during peak months. Also keep your filters clean and change them at least every two months.

These tips and suggestions are brought to you by Alan Givens, CEO and Licensed Master HVAC, Electrician, Plumber and Gas Fitter at Parrish Services, Inc. Hope to see you all at the Little Rocky Run document shredding event and food drive on June 28th!

The Fourth of July just would not be the same without those breathtaking fireworks. However, those beautiful fireworks can turn your holiday into a tragedy within seconds. Many people are injured each year in Fairfax County due to fireworks. Some are injured seriously and left with permanent damage.

Any firework, which explodes, emits a flame or sparks higher than 12 feet, or performs as a projectile is prohibited by the Fairfax County Fire Prevention Code. A permit is required for the sale of all fireworks, and these permits are only valid from June 1 to July 15 of each year.

Many fireworks are not available in Northern Virginia because they are illegal. Firecrackers, cherry bombs and skyrockets are just a few examples of fireworks which may be purchased in other areas, but are illegal here. Since even the possession of unapproved fireworks is prohibited in Fairfax County, such fireworks will be confiscated and the person possessing them can be charged with a Class 1 misdemeanor. This carries a maximum penalty of a \$2,500 fine and/or one-year in jail.

Please adhere to the following safety tips:

- When displaying legally purchased, approved fireworks, place them on a flat surface, clear of any combustible material and clear of all buildings.
- Keep all bystanders at least 25 feet away from fireworks.
- Read the directions.
- Do not permit young children to handle or light fireworks.
- Light only one firework at a time.
- Never throw fireworks.
- Sparklers can be very dangerous and account for the majority of injuries. Pieces can break off and burn bystanders.
- Young children should not use sparklers as these can attain a temperature as high as 1800 degrees Fahrenheit.
- Store fireworks in a cool, dry place.

Please have a safe Fourth of July and stay away from dangerous and illegal fireworks. Remember that there are many public displays available that offer a safe way to view fireworks. For more information on this or other safety issues, please contact Public Affairs and Life Safety Education at 703-246-3801 or TTY 711.
