ARB CORNER

*Architectural Review Board***Violations! Alterations Additions! Changes!**

What are they? Where do we find guidance on issues surrounding the exterior of your home or townhome? Why bother maintaining this level of compliance? All are valid questions that are not difficult to address nor impossible to resolve. There are various issues that may cause a homeowner or townhome owner to not be in compliance with the standards of the community.

The first issue may be an item like putting out trash and bagged yard debris before the evening of the scheduled pickup. None of these items should be placed at the curb until after 6 PM on the day before pick up. For instance, Yard debris collected and bagged should not be placed at the curb any earlier than Tuesday evening for Single Family Homes and no earlier than Thursday evening for Townhomes. This type of violation is rather clear and straightforward.

The second issue deals with alterations, additions, and changes to the exterior of your home or townhome. New roof, new siding, replacing or adding a fence, changing the color of your siding, replacing garage doors are just a few samples of the external changes to your home/townhome that require approval by the Architectural Review Board (ARB) prior to starting work or installing equipment. Case in point, replacing your roof with the same roofing material and color does not require a formal approval. No action is required by the homeowner or townhome owner. However, changing your roofing material and/or color will require a formal submittal to the ARB for review and approval. The same applies to replacing siding, fencing, or any other external fixtures on your home or townhome. These issues are all relatively clear-cut. Review and approval is timely and should not interfere with your construction plans.

Where do I find guidance on my specific issues? Every homeowner or townhome owner was provided a booklet at the time of the purchase of your home or townhome. The booklet entitled, "Little Rocky Run Architectural & Maintenance Standards" addresses most, but not all, of the issues that may confront a homeowner or townhome owner in making upgrades or changes to their home. Most items that a homeowner or townhome owner may contemplate are addressed in this booklet. From Air Conditioners to Windows, the majority of the items are addressed so that the homeowner will know if approval is automatic or requires a formal submittal and approval by the ARB. The more complete the application, the quicker the review and approval. Suggested submittal information and material submittals are included in this booklet. In addition, the booklet contains the Maintenance Standards and Rules, the Appeal Process, Definitions and Prohibited Items. What is not specifically addressed in this booklet requires review and approval or approval as amended by the ARB so that we maintain the appearance and standards of our community.

Why bother? These rules and regulations are subject to covenants and restrictions and are part of our Association. They are requirements. More importantly, you just have to walk around Little Rocky Run to appreciate the overall appearance and curb appeal of our neighborhood. The "Little Rocky Run Architectural & Maintenance Standards" communicates to old and new homeowners or townhome owners that we value our community.

Trash - Tuesday/Friday

Yard Debris pick up will run through

December 31st. Pickup days will be Wednesday for Single Family Homes and Friday for Townhomes.

As a reminder, yard debris or "yard waste" is defined as grass clippings, leaves, small twigs/branches and brush that results from general yard and landscape maintenance.

Brush is defined as the woody part of tree trimmings or pruning with a branch and/or trunk diameter of six inches or less.

Brush shall be cut in lengths of 4 foot or less by residents, and bundled and tied or placed in clearly marked rigid containers.

Enforcement of trash and recycling

Little Rocky Run and all of its neighborhoods have covenants that regulate certain aspects of property maintenance. These covenants were designed to uphold the standards and requirements within the guidelines of the community. Your attention and cooperation in this matter would be greatly appreciated. When living in such close proximity, consideration for others by adhering to state and local ordinances is imperative. We do realize that everyone's work and life schedules in this day and age are very busy however; attention to the trash issue must be made a priority by all members of your household. The following are the guidelines set forth and will be enforced by the HOA.

- Trash must be stored at the rear of your property in **watertight, rodent-proof containers** that are equipped with tight-fitting lids. Trash should never be stored on your property loose or in plastic bags of any kind. This is a Fairfax County Ordinance monitored by the Health Department. We have sought the help of the Health Department in many instances and will continue to do so to ensure compliance.
- Trash and recyclables are to be placed at the curb in front of your property, **no earlier than 6:00 p.m. the night before the scheduled pickup.** Trash is not to be put out in bags unless they are heavy duty. **Small shopping/grocery bags are not allowed.**
- Trash containers are to be removed from the curb no later than the evening of trash pickups. Any cans left at the curb later than the evening of trash pickup may be picked up by LRR maintenance staff.
- Trash containers and recycling bins are to be stored out of public view at all times. **Please do not store these items on front porches, in the front of your home, or on your back decks.**

People and Pets

The HOA fields calls every day regarding pets in the neighborhood. The majority of complaints involve excess barking, loose or unleashed dogs, pet waste and pets on private property.

Little Rocky Run's policy is for all residents to adhere to all Fairfax County guidelines and ordinances in regards to animal control. All dogs must be kept under leash control at all times and are not permitted to foul others' property. Owners shall not allow pets to run loose or walk dogs on other residents' private property. Dogs can be walked on Little Rocky Run open space, however they must be on leash and in your control at all times and the waste cleaned up and properly disposed of. Open space areas are routinely used as play areas so waste cleanup and proper disposal are imperative. In addition, pet waste is not to accumulate on your own property. All pet waste should be cleaned up and disposed of on a routine basis. Little Rocky Run HOA is adding more pet waste stations after the recent successful test. Please let the HOA office know (hoa@littlerockyrun-hoa.org) if you want to suggest a location for a station. Please be advised that any animal control issues as well as reporting pet clean-up violators can be reported to the Fairfax County Animal Control at 703-830-1100.

Special Pickups (Large Items)

American Disposal will arrange a special collection of some large items at no extra charge. Some items will incur an additional charge such as refrigerators, dish washers, washing machines, etc. Call American Disposal at 703-368-0500 or visit them online at www.americandisposal.com for more information.

Special pickups are usually made on the second regular collection day of the week if you call **at least 72 hours in advance.** Please remember it is illegal to dump refuse of any sort on property belonging to others around our neighborhood. **NOTE:** Recreation Center trash cans are not intended for bulk trash drop off or homeowner trash. Your cooperation is appreciated.

LRR STINGRAYS

By Malissa Soong

The Northern Virginia Swim League ("NVSL") has released its seeding assignments and schedule for the 2012 season. The Stingrays will swim in Division 2 again this year! We'll compete against Fairfax, Fairfax Station, Lee Graham, Oakton, and Vienna Aquatics. Our first NVSL meet is scheduled for Saturday, June 23 at Oakton. Go Stingrays!

The swim team depends on family support and lots of it. Each family is required to volunteer for six events during the season. Events take place at various times so it's easy to find a convenient time to participate. Some great first year volunteer jobs include lane timers, meet set up and take down workers, concession sales for the Stingray Café or snow cones, and social events coordinators.

Online swimmer registration begins Monday, April 9. Go to www.lrrstingrays.com for more information. The registration fee is \$116 per child, payable by check. If you have any questions, please contact Debbie Benton at registrar@lrrstingrays.com.

The mandatory kickoff meeting for parents will be held on Thursday, April 19 in the Union Mill Elementary School Cafeteria. New families are invited to attend from 6:30-7:30 pm, returning families from 7:30-8:00 pm, and registration will be held from 8-8:30 pm. Registrations received after Monday, May 7 are considered late and subject to a \$25 late fee.

Our next Board meeting will be held Monday, April 9 at 8:00 pm in Rec Center 2. Please join us!

Troop 577 Ski Trip, 2012

By: David Bunin

On Friday, February 10, 2012, Boy Scout Troop 577 went to Timberline Resort, West Virginia for a weekend ski trip. We skied or snowboarded all day Saturday and part of Sunday. Some of the scouts worked on the Snow Sports merit badge. We demonstrated some techniques, such as parallel turns, sidestep, and herringbone maneuvers, for the merit badge. At night we slept in a bunkhouse with beds three bunks high. Back here in Clifton, we have not had much snow, but out there in the mountains it was a winter wonderland. It snowed the whole time we were there and, with the wind chill, it felt like negative 15 degrees. Even with the wind it was fun because the wind was so strong that it would stop us while we were going down the slopes. There were slopes for all skill levels, from almost flat for beginners to really steep slopes for experts. Lessons were available for anyone that wanted them. We can't wait to go again next year!
