SPECIAL NEEDS REQUEST

Residents attending LRR meetings who require special seating or someone to provide sign language translation should contact the HOA Office two weeks prior to a meeting.

BOARD MEETING AGENDA

The agenda for Board of Trustees meeting can be found online at www.littlerockyrunhoa.org
Please click on the agenda link located at the top of the page.

Upcoming Board Meetings

- November 8th, RC #2, 7pm
- December 13th, RC #2, 7pm
- January 10th, @2, 7pm

Questions about Board Meetings?

Please contact the HOA Office at 703-830-0411

or caa@littlerockyrunhoa.org

Are you an accountant? Do you have a background in finance? Do you want to help ensure the continued fiscal health of the LRR HOA?

Then we need you!

The B&F Committee is looking for 3 volunteers! The B&F Committee oversees the fiscal health of the LRR community. The Committee reviews the monthly balance sheets, income and expense reports and works with Committees and Association Management to fund projects throughout the property. The Committee reviews the Draft Budget prepared by Association Management and makes recommendations to the Board of Trustees for approval. The B&F committee is responsible for looking over the Reserve Report to ensure funding when components of the property need to be replaced. Monthly and quarterly reviews of the Replacement Reserve investments keep the Board informed on how LRR investments are performing.

The duties of the B&F Committee are as follows:

- Ensure the implementation of the annual operating budget
- Create a draft annual budget for Board approval
- Review insurance policies annually
- Review the Replacement Reserve Schedule annually
- Review the Annual Audit each fiscal year
- Quarterly monitoring of the Investment Policy
- Work with the Board for "out of budget" expenses

B&F meets at 7:00PM on the last Tuesday of every month. If you are interested in joining, please contact Tom McGovern at: budgetandfinance@littlerockyrunhoa.org

Open Positions on the Architectural Review Board

The Architectural Review Board has three open positions and welcomes any LRR resident, in good standing, who would consider serving. The time commitment involves 1 meeting per month (third Mondays at 7pm); time spent reviewing Homeowner applications for improvements/architectural changes (usually an hour or so every sixth or seventh week, as we rotate our "turns").

If you are interested, please send a short bio about yourself (i.e. how long you have lived in the neighborhood, why you would like to join the ARB, etc.) to Mark Scolaro, ARB Administrator, arb@littlerock-yrunhoa.org, no later than November 12, 2012. Thank you!

Fall is here once again, along with weekends spent raking leaves and bagging yard debris, one downside to living in a beautifully wooded community. American Disposal does provide pick-up for this material as long as it is prepared properly (Leaves placed in clear plastic; brush bundled in 4 foot lengths).

At no time is yard waste to be dumped in Common Areas. This activity not only creates unsightly brush piles visible to the public, but also poses a fire hazard. If the Common Area is also a Resource Protection Area, dumping is prohibited by Virginia State and County law. The HOA urges all residents to adhere to this practice as it is a violation of the following HOA resolution:

Encroachment Policy Resolution; Dec 2005: No owners, residents or the family members, guests, agents, or invitees of owners or residents shall place or install anything upon the Common Areas or otherwise disturb or modify the Common Areas in any way without the expressed, prior written approval of the Architectural Review Board for design and the approval of the Board of Trustees for use.

Application Status Report September 2012

Attn: C.J. / Maintenance

PLEASE DO NOT DUMP IN THE WOODS!

Dear C.J.,

Although we realize that grass clippings and yard debris are often considered to be organic matter, we would like to point out a few of the many reasons that these materials are harmful and therefore should NOT be disposed of in the wood lines of the property:

- Depending on the type of debris and conditions, the process of decomposition may take weeks, months or even years.
- During the process of decomposition, the following dangers are posed to other existing plant material and the environment:
 - Contamination by any weed killers and/or fertilizers that may have been applied prior to disposal
 - Unpleasant odor generated while matter is decomposing
 - Heat that is released while matter is decomposing can damage plant roots and stems while disrupting the soil temperature, leading to poor plant vigor and disease development
 - Visual appeal of naturalized area is greatly impacted

We appreciate your assistance as we all strive to maintain **Little Rocky Run** as a beautiful and healthy environment for everyone!

Sincerely,

Pick-ups begin at 6:00am and are completed in Little Rocky Run by 3:00pm.

Please place your trash and recycling in appropriate, secure containers **no sooner than 6pm the night before** your scheduled pick up day and promptly remove emptied containers from your front curb or open space on pick up day. If your trash is not picked up by 3:00pm on your scheduled day, please call American Disposal. If your trash is not removed within 24 hours after your call to ADS, please call the HOA Office at 703-830-0411. Feel free to leave a message if calling after hours.

Little Rocky Run Winter/Holiday Service Schedule

THANKSGIVING DAY: Office is closed and no services will be provided. Single Family Homes since your regular trash & recycling pickup falls on this day, trash & recycling collection makeup day will be the Saturday after the holiday (November 24).

CHRISTMAS DAY/NEW YEARS DAY: Office is closed and no services will be provided. Town Homes since your regular trash & recycling pickup falls on this day, trash & recycling collection makeup day will be the Wednesday after the holiday (December 26th & January 2nd).

****On make-up days, crews come through neighborhoods earlier than normal, please make sure you put your items curbside the night before****

YARD DEBRIS COLLECTION: Ends effective December 28th unless your contract specifies otherwise. If you have yard debris to be collected after this date, place your items to curbside on your 2nd collection day until yard debris season resumes the 1st week of March.

CHRISTMAS TREE COLLECTION: Single family and multi-dwelling attached homes, Christmas trees will be collected on the 1st two Wednesday's in January. We ask all tinsel and decorations be removed. Please do not place trees in plastic bags.

INCLEMENT WEATHER: Safety in your community is our primary concern. Roads and/or areas which are deemed unsafe due to snow or ice will be suspended for collection. If suspension occurs, service will resume based on the contract terms.

Trash & Recycling Schedule

Single Family Homes

Recycling - Thursday
Trash - Monday/Thursday
Town Homes

Recycling - Tuesday
Trash - Tuesday/Friday

Yard Debris pick up will run through

December 31st. Pickup days will be Wednesday for Single Family Homes and Friday for Townhomes.

As a reminder, yard debris or "yard waste" is defined as grass clippings, leaves, small twigs/branches and brush that results from general yard and landscape maintenance. Brush is defined as the woody part of tree trimmings or pruning with a branch and/or trunk diameter of six inches or less. Brush shall be cut in lengths of 4 foot or less by residents, and bundled and tied or placed in clearly marked rigid containers.

CARDBOARD ITEMS

**PLEASE DISPOSE OF
ALL CARDBOARD ITEMS
ON YOUR SCHEDULED
RECYCLING DAYS.**

**Per Fairfax County Code
Section 109.1-2-2. Recycling
for Residential Solid Waste.**

(a) Occupants of single-family homes and townhouses shall source-separate: container glass; metal food and beverage containers; plastic bottles and jugs; yard waste; scrap metal; **cardboard** and mixed paper, including but not limited to corrugated cardboard, magazines, newspaper, office paper, and miscellaneous paper products.

Single-stream collectors using packer trucks must collect **all** recyclables that are properly set out.

**In particular, all cardboard must
be collected for recycling.**

Special Pickups (Large Items)

American Disposal will arrange a special collection of some large items at no extra charge. Some items will incur an additional charge such as refrigerators, dish washers, washing machines, etc. Call American Disposal at 703-368-0500 or visit them online at www.americandisposal.com for more information.

Special pickups are usually made on the second regular collection day of the week if you call **at least 72 hours in advance.** Please remember it is illegal to dump refuse of any sort on property belonging to others around our neighborhood.

NOTE: Recreation Center trash cans are not intended for bulk trash drop off or homeowner trash. Your cooperation is appreciated.

The Scout Corner

Troop 577 August Activities

By: David Bunin

On Saturday, August 25, 2012, Michael Bishop had his Eagle Scout Project. Many of the older and younger scouts in Troop 577 attended. The project was to mulch and replace the edge of the gravel paths in the Liberty Middle School courtyard. First, all the weeds in the mulch area were to be dug up. Then the mulch was put down. All of the metal rails around the paths were removed and the groove dug wider. Then we put gray bricks in place of the rails. Congratulations Michael on completing your project!

If you are interested in joining Boy Scout Troop 577, we meet at Liberty Middle School on Tuesdays at 7:30 p.m. You can also go to <http://www.bsatroop577.org>. The troop has started meetings for the school year. We welcome any boys 6th grade and up to join!

THE LEAF SEASON IS UPON US...

As we enter the Fall season, we would like to take this opportunity to talk about a waste stream that often gets neglected when it comes to educating our customers. That is...your yard debris!

Many people do not realize that yard debris collection is actually considered to be a form of recycling. This can be somewhat confusing as yard debris is not picked up with your Single Stream recyclables, which are separated and baled by material type for reprocessing at a MRF (Materials Recovery Facility). Instead, brush, branches, glass clippings and tree limbs are broken down organically by a bio-chemical reaction at a special facility. Over time, these materials become a new product called compost, that can then be returned to the earth through various applications. Because the yard debris waste is converted to a reusable material, it is considered in our industry to be recycled!

PROPER PICK-UP FOR PROPER DISPOSAL {BAILING, BUNDLING, AND BEYOND!}

American Disposal Services, Inc. strives to pick up all of the yard debris put out curbside by our customers. That having been said, there are a few guidelines that make it much easier for our crews to handle the collection of this waste stream efficiently, and for the facilities to then process it. The following is a list of some proper procedures that we recommend to ensure a successful pick-up.

What can I put out for yard debris pick-up? Leaves, grass clippings, tree limbs and brush (bundled and tied), Christmas Trees, AND Pumpkins

CUSTOMER COLLECTION METHODS

1. Loose in a Container

The most preferred method of collecting your yard clippings, leaves, and small branches is loose in a container(s) that can be lifted and dumped into our truck. Yard debris that is collected in plastic bags must be broken open before the composting process can begin, and for that reason, we recommend that you simply collect it in a "yard debris" labeled reusable container. (Did we mention that you'll be saving on all of those yard debris collection bags by investing in a few sturdy compost collection containers?)

2. Compostable Plastic Bags

Another accepted method of collection is the use of plastic bags that are certified compostable. These can be purchased at most home improvement stores.

3. Brown Paper Collection Bags

Similar to a compostable plastic bag, a brown paper collection bag, which can also be bought at a local home improvement store, will break down organically with the collected yard debris.

4. Plastic Bags

Although we will always pick up yard debris collected in a clear plastic bag, this is the least preferred method of collection. Plastic is a material that will not bio-degrade at a composting facility. When yard debris is collected using this method, it is dropped off at a facility where people must break open the bags costing the entire process time, energy, and efficiency.

BUNDLING METHODS

In order for us to collect all of the homes on any given route, tree limbs and brush must be no longer than 4 feet in length and 6 inches thick in diameter. These items must be tied with rope or twine in arm length bundles for ease of pick-up. American Disposal Services will collect a maximum of 10 bags of grass clippings and or leaves, and 10 bundles of brush per pick-up. (There will be an extra charge for additional removal of larger amounts of yard debris that must be scheduled in advance through our customer service center.)

THINGS TO REMEMBER

- Items that are either bagged OR bundled should not exceed 50 lbs.
- The following items are not acceptable for yard debris collection: mulch, dirt, rock, shrubs, trees, tree stumps, and sod
