News From The Board

Notes from the Trustees

The leaves are changing so it's time to start planning those fall outside activities before we are all hunker down for the winter. Enjoy.

A lot has been happening and more is planned, so read on for some summaries.

Townhome Parking. We had an excellent turnout at the September BoT meeting held at the Little Rocky Run Circle rec center and we appreciate the time taken by those residents that attended and provided input. The board always wants to hear from you - Thanks. We will be digesting all the comments and thinking about how to move forward, so stay tuned.

Townhome Mailboxes. They have gotten old (some nearly 30 years), some are damaged and others just need to be replaced. The HOA will be monitoring the replacement and construction HOWEVER, the USPS makes most of the decisions and must approve everything related to this project. As a heads up to those of you in the Townhome section, stay tuned. At a high level, some of the smaller Mailbox CBU's (Consolidated Box Units) will be combined in some courts. You will start to see construction for new concrete pads, where needed, and all will be ADA compliant when the project is complete. As far as the transition to using the new boxes, that is and will be completely handled by the USPS. It is expected that the construction and transition will take place over the next 6 months or so.

Trail Signs. Many of the community trail signs are rotted, broken or otherwise looking tired and will be replaced over the next few months. Most the work is being done by LRR HOA sponsored Boy Scout Troop 577 and under the guidance of our staff and maintenance department. Thanks to them for taking on this project both saving the HOA your money helping to keep the LRR community looking sharp.

Pools Past Labor Day. SUCCESS! This past September and on a trial basis, we kept one of our pools open through September. Based on the number of attendees, approximately 450 on the first weekend, the BoT will consider this again next year. Let us know what you think by contacting the Community Manager at manager@littlerockyrunhoa.org.

Optimist Club. Over the last couple months, the local Optimist Club has been collecting children's books from the community to assist young parents attending the local Mountain View Alternative School. Thanks to your support we collected over 300 books from the community.

Budget & Finance (B&F) Committee and the Budget Cycle. Thanks to some of our neighbors, the very important B&F committee is up and running and learning about the finances of our community. This is especially critical for 2 reasons: 1) it provides independent eyes to review how OUR money is collected and spent, and 2) they create/draft the annual budget. Our financial year begins April 1 so we start the budgeting process in October of each year. The timing for these people stepping up is especially helpful. As an FYI, we are also happy that both the Townhomes and Single Family Homes are represented on this important committee.

Thanks for reading and enjoy the coolness of the fall.

Get Tips on Dealing with Clutter at the WFCWC Meeting on Monday, November 21

Is your desk hidden under piles of paper? Do you have toys or books stacked around the house? Is there a closet you would rather not open because you're afraid to look at all the stuff crammed into it? Help is at hand! Come to the GFWC Western Fairfax County Woman's Club (WFCWC) meeting at 7 p.m. on Monday, November 21, and listen to Vicki Becker and Donna Fredericks of **Clear-To-Go!** as they explain how to organize your house and tame the clutter.

These two ladies have been friends for more than 35 years. Ten years ago, they were surprised to find out that they both were helping friends organize their homes. They both had a passion for organization and, more importantly, for helping people. Vicki and Donna came together and formed the company **Clear-To-Go!** Through their company, they have helped organize apartments, offices and homes. They have helped people dealing with hoarding, illnesses and depression. They have also enjoyed working on a team that helps seniors downsize as they move into local retirement communities. They have spoken to community groups, church groups and licensed professional counselors. Join us for a fun, informative evening and go home with a few tips to help you organize your home or office.

WFCWC usually meets at 7 p.m. on the third Monday of the month, September through May, at the Cale Community Center, 4615 Stringfellow Road. Guests are welcome and admission is free. For more information about WFCWC, please visit our Web site at www.wfcwc.org or call Mary Jane Hasselkus at 703-378-4250.

Why You Should Keep Your Rain Gutters Clean

Rain gutters are probably something you don't think about too often, but are essential to the overall protection and safety of your home so we think it's worth giving them some thought.

Damage to Your Home Interior

Without a rain gutter, water from rain and snow would just pour off of your roof and fall at the base of your home's foundation, potentially causing erosion or leaks. This can still happen if leaves and other debris aren't cleaned out on a regular basis because water can fall over the sides of the roof or even get backed up and cause damage to the roof shingles, leading to leaks that could seep through to your home's interior.

Reveal Potential Clogs

Usually it's apparent when there's a clog in your rain gutter because you'll see a giant puddle near the base of your home, but it's still important to have them checked regularly to catch any early signs of clogging. The faster you can catch a clog, the better because not taking care of the problem could result in damage to your basement if that water starts to leak into your home foundation. That moldy smell is hard to get rid of once it's there, so it's smart to take preventative action now.

Check for Repairs

Having your rain gutters cleaned is also necessary to making sure that all needed repairs are taken care of before unnecessary (and costly) damage is caused to your home. During winter, a lot of weight from snow and ice can really hurt your rain gutter, so making sure it's in tip-top shape now is critical. A bent rain gutter can eventually break, dumping water onto your foundation, leading to all kinds of water damage problems.

Keep Pests Away

If you have excess water sitting in your rain gutter due to clogs, you also risk attracting pests such as termites and mosquitoes. These bugs thrive in water and a neglected rain gutter can double as the perfect home for these pests. You may also be inviting other pests such as mice and birds to camp out in your attic if you have excess moisture and if you've ever dealt with animals trapped in your attic before, you know it's not fun getting rid of them.

Board of Trustees Meeting Minutes October 20th, 2016 Recreation Center # 2 Regular Meeting Actions

Monthly Meeting Minutes

Trustees present: Scott McAuliffe, Ron Mulivhill, Ralf Valentino, Jeff Hummel and Earl Ham.

Staff present: Lee Kauffman, Carla Lillie, Bridgette Magerkorth, CJ Tierney, Cindy Young

Call to order- 7:00 PM.

Agenda – The Agenda was accepted as presented.

Resident Forum – 3 Residents provided input on their interest in forming a Neighborhood Watch.

The BOT clarified that the HOA held no responsibility/liability to the program but would support the residents with signage, newsletter advertisement and/or rental space for their meetings.

Manager's Report – Lee Kauffman, Community Manager delivered a current report.

Board Meeting Minutes- The Minutes for the September 15th, 2016 were tabled until the November 17th BoT meeting, pending corrections.

ARB Community Wide Inspection Updates - The Board reviewed the inspection updates and possible hearings.

Financials - The Board of Trustees reviewed the September 2016 Union Bank Statement of Accounts, Morgan Stanley reports and the FY 16/17 Capital Projects Report.

Facilities Management - The Townhome mailbox replacement project is ready to begin. The BOT will post ongoing progress in the News On The Run.

The BOT scheduled the next Townhome parking meeting for January 19th, 2017. It will be held at Recreation Center # 1 at 7:00 PM.

Adjournment: 11:00 PM.

The next monthly BoT meeting is scheduled for November 19th at 7:00pm in Rec Center #2

Do you want to Receive the News On The Run electronically?

The HOA has taken several calls over the past few months, from residents who originally were enrolled to electronically receive The News On The Run, who are no longer getting the emailed version.

After working diligently with our IT department, it has been discovered that the email distribution list we have been using for years is corrupt and no longer usable.

As a very temporary fix we are using emails that are already included in a resident's profile in SenEarthco (our financial management's database). This is not a viable, long-term solution so the list will be reconstructed based on your input.

If you would like to receive the monthly newsletter electronically, please complete the form below and mail it to the HOA office c/o NEWSLETTER – 6201 Sandstone Way, Clifton, VA 20124 or email caa@littlerockyrunhoa.org.

Election Day is November 8th.

The right to vote is the most important right granted to a U.S. citizen, as it is preservative of all other rights.

In case you are new to the area and do not know where to vote, here is a link to help locate your polling place:
<http://www.fairfaxcounty.gov/elections/precincts.htm>

POLITICAL SIGNS

Many residents support their favorite candidates by posting political signs in their yard. Although the Little Rocky Run HOA supports all residents' rights to publicize their political choices in this way, we would like to remind each resident that:

- ♦ One (1) sign per lot is Approved for display in your front yard only.
- ♦ Political signs are considered a seasonal display and can only represent a candidate choice.
- ♦ All signs must be removed within 48 hours after the close of the election.
- ♦ Signs may not be larger than 12 inches in size.
- ♦ Political signs cannot be display in open space.

... To join, please e-mail Bridgette at caa@littlerockyrunhoa.org ...

Please do not dump clippings in the Woods!

Although grass clippings and yard debris are often considered organic material, a few facts need to be pointed out.

Here are some of the many reasons that these materials are harmful and therefore should NOT be disposed of in the wood lines of the community (or in open space):

- ❖ Decomposition may take weeks, months or even years, depending on the type of debris and conditions.
- ❖ During the process of decomposition, the following dangers are posed to other existing plant material and the environment:
 - Chemical contamination by weed killers and/or fertilizers that may have been applied prior to disposal
 - Unpleasant odor while matter is decomposing
 - Heat released while decomposing can damage plant roots and stems while disrupting the soil temperature, leading to disease development
 - Visual appeal of naturalized area is greatly impacted

Single Family Homes should dispose of yard waste on Wednesdays, while Town Homes should do so on Fridays.

The HOA does appreciate your assistance as we all strive to maintain **Little Rocky Run** as a beautiful and healthy environment for everyone!

Sincerely,

The LRR Staff

Winter/Holiday Service Schedule

Dear Valued Little Rocky Run HOA Customer,

Happy Holidays! As we all enter the busy Holiday season, we would like to remind you of the upcoming collection schedule and inclement weather policies.

Thanksgiving Day: Office is closed and no services will be provided. **Single Family Homes!!** Since your regular trash & recycling pickup falls on this day, trash & recycling collection make up day will be the Saturday after the holiday (**November 26th**).**

Christmas Day & New Year's Day: Falls on a Sunday this year. There will be no interruption in your service.

****On make-up days, crews come through neighborhoods earlier than normal, please make sure residents put their items curbside the night before.****

Yard Debris Collection: Yard debris collection ends effective January 11th unless your contract specifies otherwise. If you have yard debris to be collected after this date, place your items curbside on your 2nd collection day until yard debris season resumes the 1st week of March.

Christmas Tree Collection: Single Family and multi-dwelling attached homes, Christmas trees will be collected on January 4th and January 11th. We ask all tinsel and decorations be removed. Please do not place trees in plastic bags.

Inclement Weather: Safety in your community is our primary concern. Roads and/or areas which are deemed unsafe due to snow or ice will be suspended for collection. If suspension occurs, services will resume based on the contract terms.

We would like to thank you for the opportunity to serve you and your community. Please forward this information to all Board Members and Property Managers. If you have any questions, please call our customer service department at 571.292.5510, Monday through Friday, from 8:00 AM to 4:30 PM or visit us on our website at www.americandisposal.com.

LRR STINGRAYS

By Patrick Bowman

As families and students have settled in to their school year routines, the LRR Stingrays Board of Directors has begun its off-season routine of welcoming new Board members, reviewing the past season, and beginning to make the necessary adjustments to make the upcoming season the best ever.

At the end of the summer swim season, several positions on the Board of Directors were opened for election. The Stingrays would like to congratulate the following members and welcome them to the 2017 Board of Directors:

John Goff – John has accepted the position of Team Rep and looks forward to working with all the coaches and families over the next two years.

Rene Law – Rene will be the new Volunteer Coordinator, filling a position that is vital to the operation meets and all other Stingray events.

Welcome aboard, John and Rene!

The new members will join returning Board members Holly Patrick and Stacy Robinette (Assistant Team Reps), Meghan Birkholz (Tables Chief), Jeanne Laszewski (Treasurer), Jay Drakopoulos (Officials Director), Debbie Ross (Concessions Director), and Patrick Bowman (Communications Director/Secretary). If you have any questions, suggestions, or interest in helping out with any of these positions, feel free to contact the appropriate Board member through the Stingray website at <http://www.lrrstingrays.com>

The Stingrays would also like to extend their sincere thanks to outgoing members of the Board of Directors John Charters and Colleen Kikis. John served two terms as team rep, guiding the Stingray Board through the last four seasons, including recruiting a new head coach and recruiting and retaining assistant coaches. Colleen served admirably as a last second fill-in for the Volunteer Coordinator position

The Board would also express their appreciation and thanks to the Little Rocky Run Community for their patience and assistance at the 2016 NVSL Individual All-Star Meet. The meet was a resounding success, and all the hard work that so many people put in helping to make the meet a success was obvious as the meet progressed and the day served as a wonderful showcase for the Little Rocky Run community.

If you have any questions about the team or upcoming season, please contact team rep John Goff, TeamRep@LRRStingrays.com.

The next Board meeting will be November 7, at 7:30 in Rec Center 2. We invite all members of the community to attend and contribute.

Consider donating your gently
used shoes

Your old shoes provide new opportunities in your hometown.

Did you know there are 46.5 million people living in poverty right here in the United States? Did you know that 16.1 million of these are children?

We help people living in poverty gain new dignity, courage and hope. When you donate used shoes to Soles4Souls, you are helping finance our distributions of new shoes to people in your own community. Soles4Souls distributes new shoes in all 50 states.

Donate Your Gently Used Shoes At Our Next Shoe Drive!

When: November 1st-19th

Where: November 1-18 - Collection Box at Rec #2
(6201 Sandstone Way) (Please pair up your shoes before
dropping off)

November 19 - Collection Box at Rec #3
